PROPOSAL NOTIFICATION

RFP Title: Bilingual ArcGIS Story Maps: Connecting Communities to Watershed Health Collaborative Restoration in the Walla Walla Basin

WWBWC would like to thank the firms that submitted a proposal for this project. Based on evaluation by WWBWC staff of proposers' relevant experience, staff capabilities, proposed project budgets, and alignment of work samples with the project's intent, Notice of Tentative Award is issued to:

Kittelson & Associates, Inc., contingent on the signing of a contractual agreement between both parties.
